

Green Man Packaging exclusive offer for City Pantry food partners

As part of the Green Man Project initiative to reduce single-use plastics across London, City Pantry has teamed up with compostable packaging specialists **Green Man Packaging** to offer our food partners an ongoing **EXCLUSIVE COMPOSTABLE PACKAGING OFFER**

Plastic-Free Eco Audit & Free Samples
Exclusive 10% online discount code for all City Pantry partners
Over 300+ stock products available for next day delivery
FREE delivery on all orders over £150
Special offers on Custom Printing & Bespoke Packaging

WHAT HAPPENS NEXT?

1. **ECO AUDIT** - Identify all the single-use plastic disposable packaging items used in your business. Green Man will assist you in finding suitable 100% compostable alternatives from their extensive range. After your eco audit you will receive a FREE box of paper straws to get you started.
2. **SAMPLES & TESTING** - Based on the results of your eco audit, Green Man will send out a full range of samples for testing.
3. **PLACE ORDERS** - When testing is complete and you are happy with your new products, you can place your orders at www.greenmanpackaging.com quoting your exclusive City Pantry discount code at checkout (*see below*) to receive an **ongoing 10% discount** off the already discounted list prices. NOTE: This is a completely exclusive offer that City Pantry have negotiated for their partners.
4. **NEXT DAY DELIVERY** - place your orders before 1pm for next working day delivery with FREE delivery on all orders over £150 net.
5. **ONGOING SUPPORT, INFORMATION & EXPERT ADVICE** - Our specialist team are on hand 9-5 to support and assist with all your compostable packaging requirements and answer any of your questions.
